敬愛的導師您好：

Dear Class Advisors:

本學期期中考將於 11 月 5 日至 11 月 9 日舉行，本校向來秉持嚴管勤教的教學理念，故凡考試違規經查證屬實者，均依學生獎懲規定予以處分。敬請導師利用班會時間叮嚀同學除把握時間準備功課外，考試時務須遵守考試規則，且勿請人代考或心存僥倖鋌而走險，以免誤犯校規，斷送美好的前途；並請多加宣導下列事項：

Mid-term examination week is from November 5 to 9, 2018. The university holds to the educational philosophy of strict discipline and diligent teaching. Students who are shown through actual evidence to have cheated during examinations will be punished in accordance with Student Merit and Demerit Procedures. We would like to ask class advisors to remind students to make good use of their study time and obey examination regulations when taking an examination. Student must not ask others to take the examination on their behalf or try to violate the regulations. Please help to communicate the following announcements to students.

- 一、進入考場務必將行動電話關機，並檢查口袋是否有不必要的紙張，桌面上是否有字跡，座位下及四週不可放置書本及講義，若有須立即清除或擦拭乾淨，否則視同違規論處

『輕者留校察看，重者勒令退學』。

1. Once entering the examination classroom, students are required to turn off their cell phones, check if there are any unnecessary sheets of paper in their pockets and if there is any writing on their assigned desk. Textbooks and handouts are not allowed to be put under or around the chairs. These should be removed immediately, as, if there are signs of writing, textbooks or handouts, students will be deemed to be cheating. Upon investigation, punishment for cheating may range from Observation to 2nd Level Expulsion.

二、期中考期間「一般事假」停辦，惟公、病、住院、喪、產及特殊事故或意外傷害無法應試者除外，然須檢附證明文件(因病者須附政府核定之醫療機構證明書並蓋有醫院之大印)，方能准假，且請假手續須在該科目缺考日起二日內(含缺考日)辦理完成。

2. Students are not allowed to apply for “personal leave” during the Mid-term examination period. Students who need to apply for official leave, sick leave, compassionate leave, maternity leave or special leave must submit related documents and apply for a special case absence on an examination day and complete the procedure for absence within two days of missing an exam (including the examination day). Sick leave will only be approved by the university when proof of injury or illness is presented that has been issued by medical institutions that have been approved by the government and verified with their institutional seal.

三，請同學於考試期間以學業為重，勿輕易請考試假，以免影響學業成績。

3. Students are required to respect the importance of examinations and not to take leaves lightly to avoid affecting their studies.
